

Port of Barrow Marine Notice 14/2015

Heavy Lift Facility (HLF) Berth Declared Depth

05 August 2015

Port users are to be advised that the Heavy Lift Facility (HLF) berth pocket has a declared depth of 7.0m in its southern half. Mariners are to ensure that declared depths are taken into account when using this facility and that sufficient under keel clearance (UKC) remains in place at all times.

A diagram indicating the region of the declared depth within the HLF berth pocket can be found on page two of this Marine Notice.

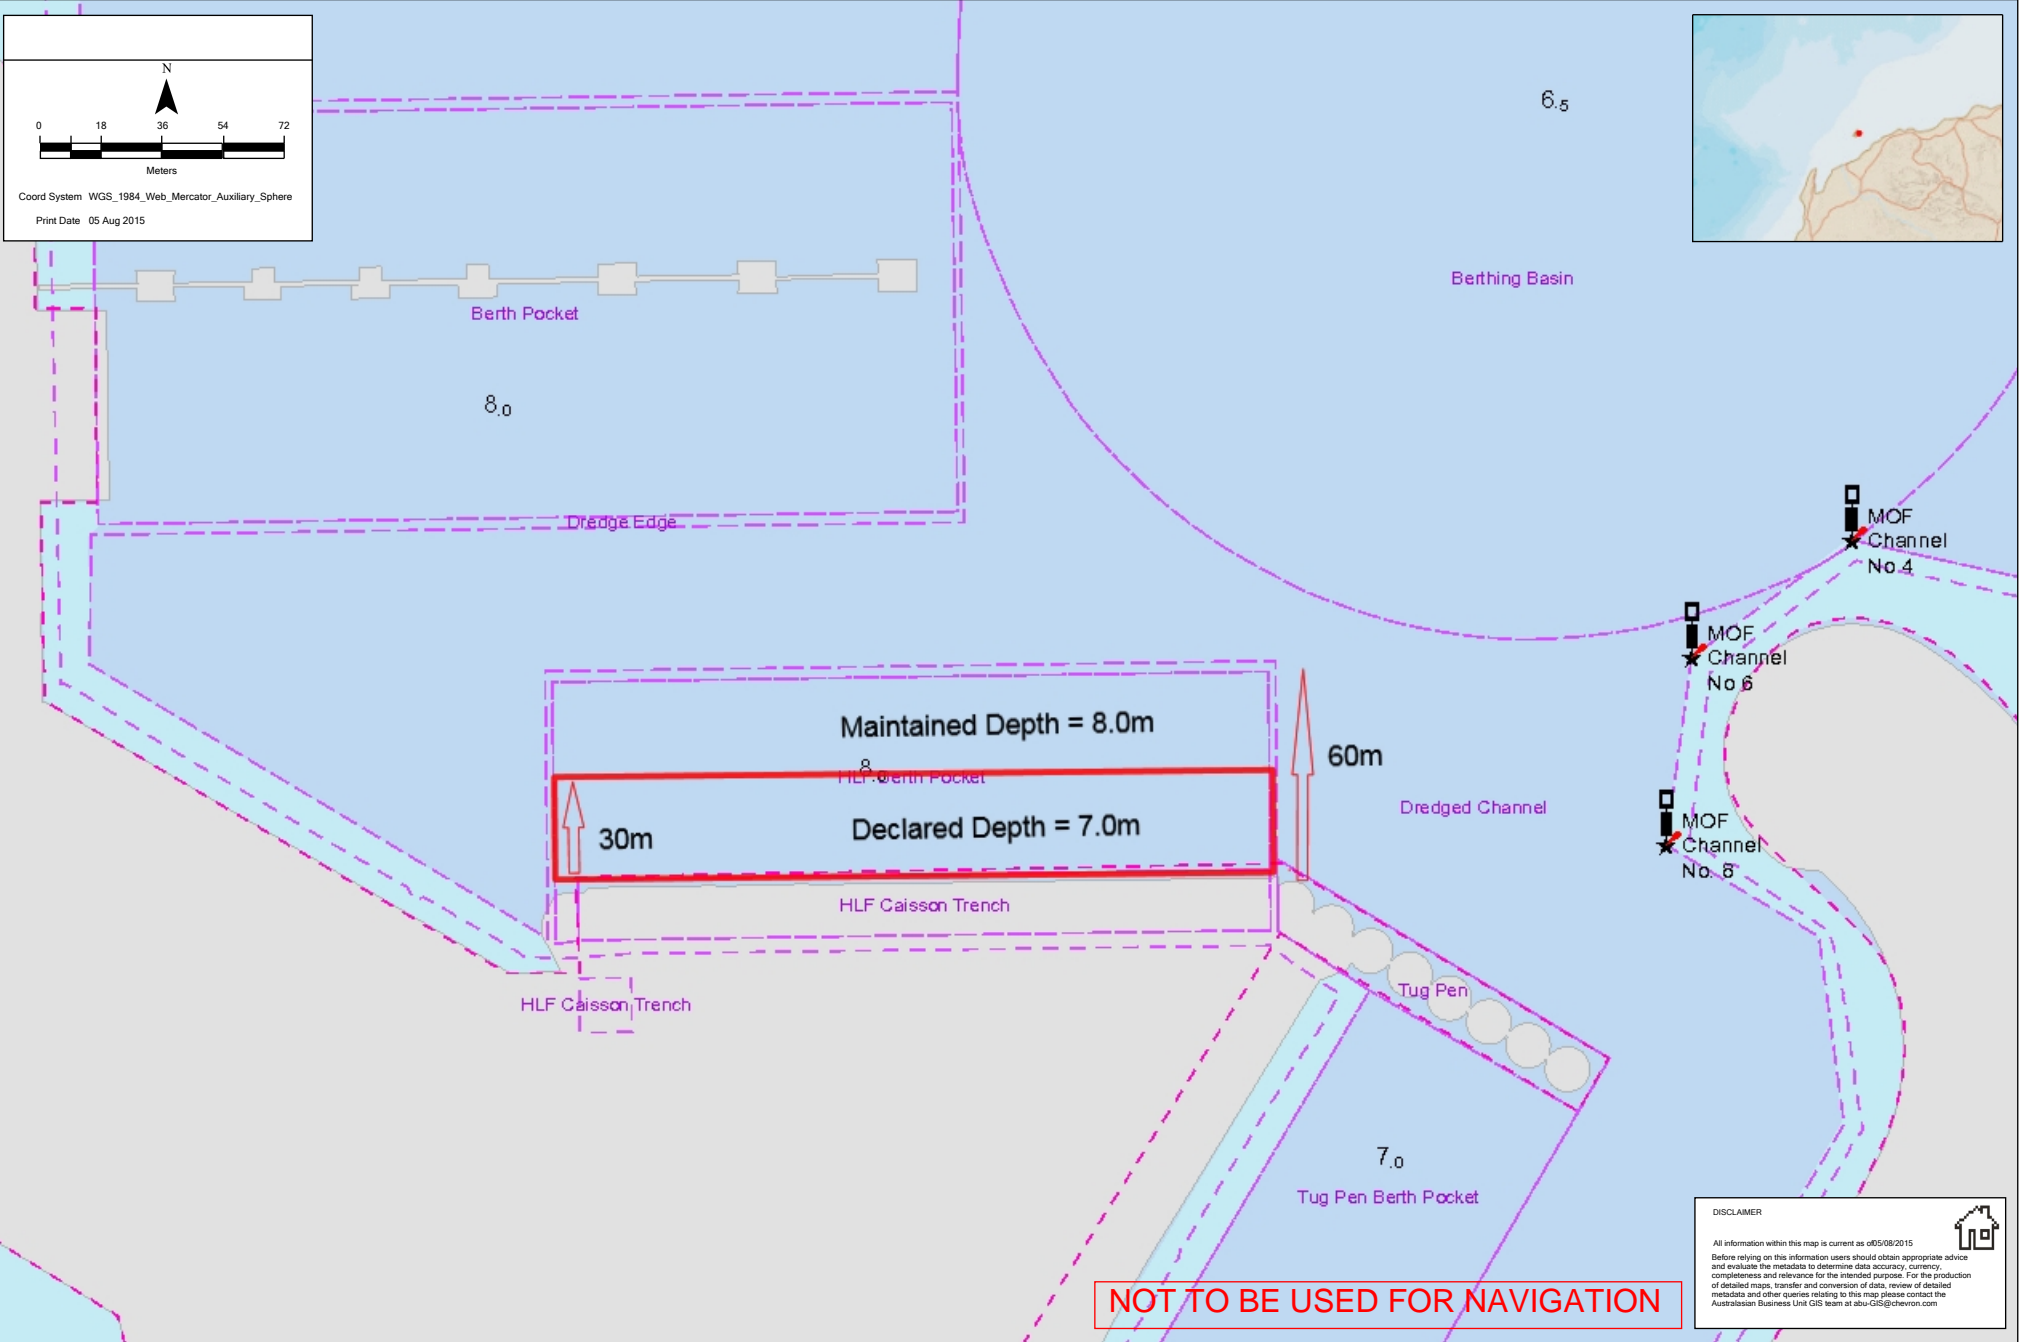

Port users and operators are reminded to update their records and ensure information is efficiently promulgated.
