

# Port of Barrow Island Marine Notice 05/ 2018

## Port of Barrow Island – Port Information Guide REPLACED

18 December 2018

Port users and administrators are advised that the *Port of Barrow Island – Port Information Guide – ABU110700304* (PIG) has now been replaced with the *Barrow Island Port Information Manual – GOR-COP-0176* (BIPIM).

Please ensure to familiarise yourselves with the BIPIM and update and remove any reference to the Port Information Guide.

The link below will take you directly to the document which is also located within the Port of Barrow Island website.

<https://australia.chevron.com/sitecore/media-library/australia/our-businesses/documents/barrow-island-port-information-manual>

Port users and operators are reminded to update their records and ensure information is efficiently promulgated.

A complete listing of Port of Barrow Island Marine Notices in force can be viewed and downloaded from the Port of Barrow Island website (allow for Perth business hours to process) at:
